2. **Programme “Becoming a Participation Professional”** targeting Young Elected Politicians (2023-2024)

CoR activities to foster participatory approaches

Local Dialogues - a first step towards a more complex participatory and deliberative democracy approach

European Committee
of the Regions

General lessons learnt for the local and regional level

- **Capacity building essential but not enough**
- **Importance of human and financial resources**
- **Inclusiveness of the citizens' panel**
- **Transparency on the political follow-up**
- Awareness raising and leading by example to encourage others
- Need for political commitment and believe in return of investment
- Further Scientific research needed

Specific lessons learnt for young politicians at the local/ regional level

- CoR objective "**to plant the seed**"
- **Overwhelming interest** with 100 applications to “Winterschool”
- **Hybrid format** of capacity building works
- **Lack of human resources to follow up** closely after the capacity building

CoR network activities to share experiences and gain knowledge
